

THE WOODSMITHS

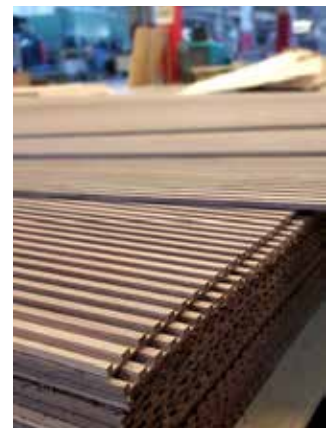

working with nature

LATHO

# QUALITY 100% Made in Italy

## Elevate Interiors with Timeless Elegance

Our patterned solid wood veneer panels bring natural beauty and refined craftsmanship to high-end residential and commercial spaces. Each panel is meticulously designed to showcase the rich textures and grains of real wood, enhanced by intricate patterns that add depth and sophistication. Ideal for feature walls, cabinetry, and bespoke furniture, these panels offer a luxurious yet sustainable solution for discerning designers and architects. Sourced from responsibly managed forests and **FSC® certified**, these panels offer a sustainable choice without compromising on luxury.

**Bendable for curves**
