THE WOODSMITHS

Signature Range Aluminium doors

Our trusted aluminium door collection, available in Broadline, Fineline & Squareline frame options.
Lead time: 2-4 weeks.

Aluminium framed glass doors are very popular in modern kitchen designs. TrimTek aluminium framed doors are currently available in three different profiles and two different finishes.

The range can be used for standard hinged doors, panels, bifolds and flap doors. We also offer black anodised frames for our squareline and fineline profiles. Any of the profile frames can be powdercoated with one of the Dulux or Interpon colours.

We offer a large range of glass options including clear, tinted, etchlite, reeded, and screen printed. Drilling for hardware is a free service we offer and we also supply all hardware as required.

BROADLINE
TB50 - 50 X 20MM

FINELINE
TF50 - 50 X 20MM

SQUARELINE
TS20 - 20 X 20MM

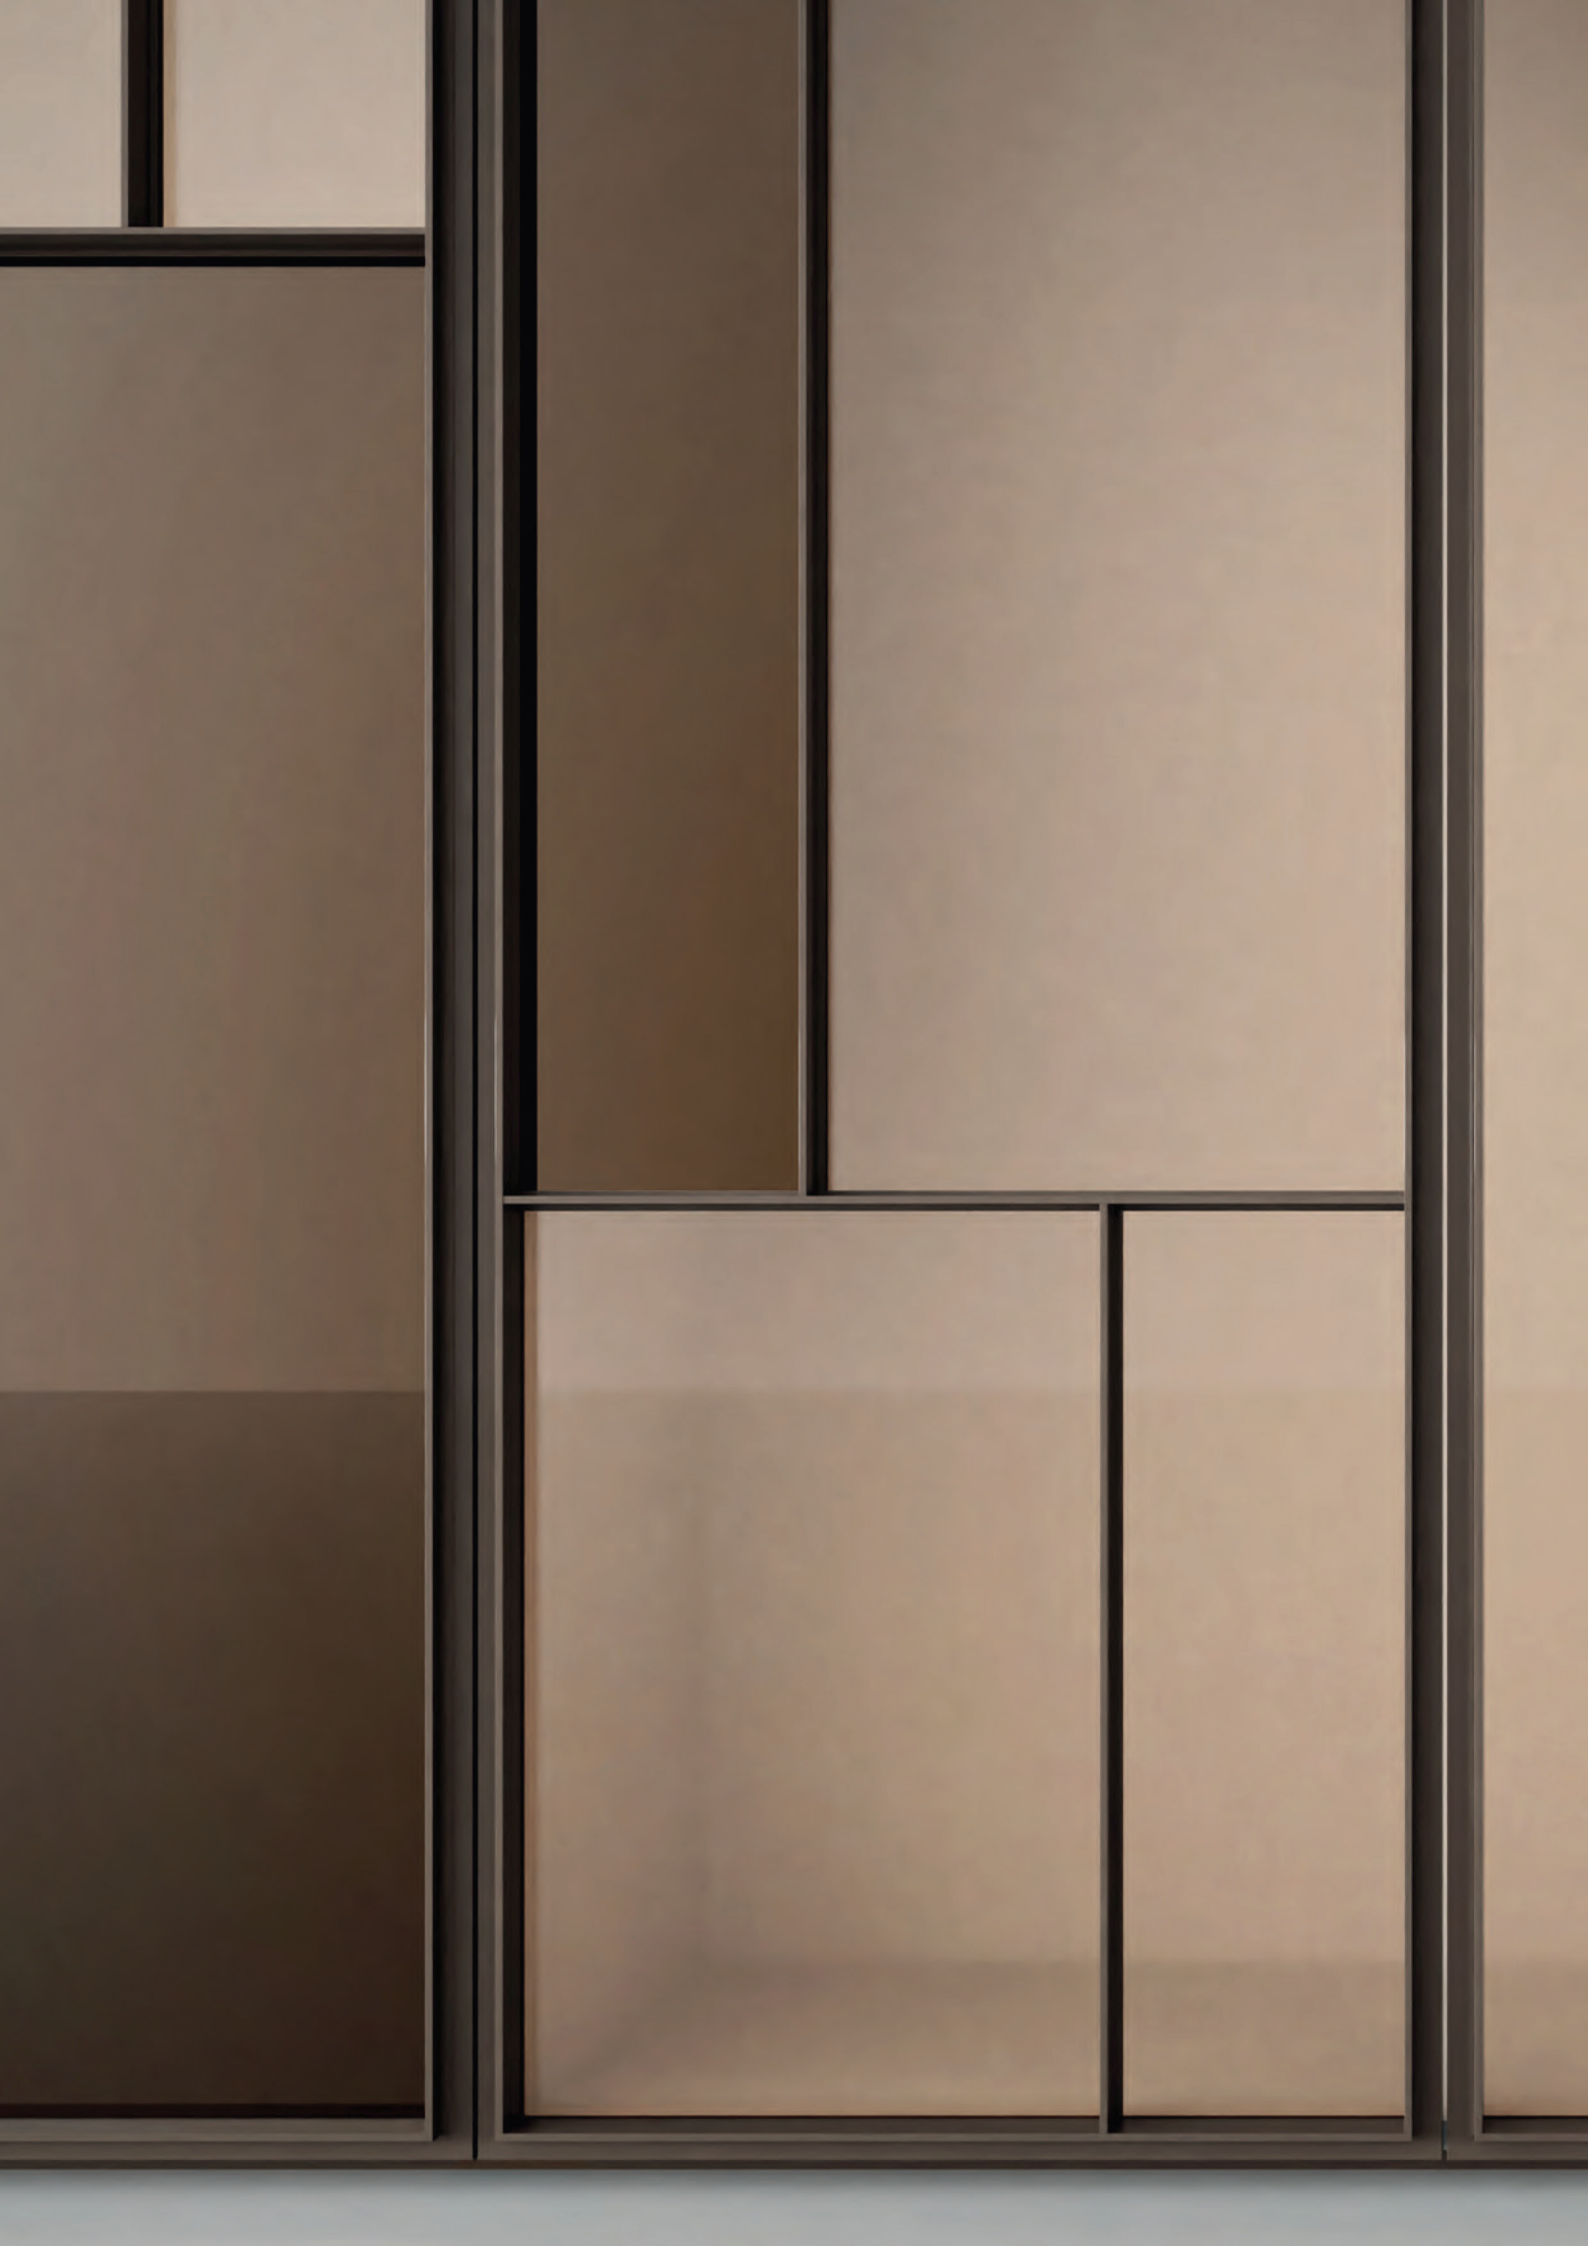

Black Fineline profile with clear glass

Premium Range Aluminum Doors

A newly introduced collection imported from Italy, featuring thicker aluminium profiles, refined finishes and greater design flexibility, ideal for larger doors. Lead time: 8-9 weeks.
